

The move to electronic payments:

How your business can save time and money by going digital

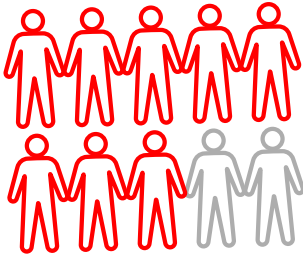

Travel & Expense is the second most difficult operating cost to control.¹

Paper checks are projected to completely disappear within the next 5 years.²

50% of businesses still use paper checks as their primary form of payment.³

Nearly 80% of workers live paycheck to paycheck.⁴

How can you save by implementing payment automation?⁵

75%
Reduction in AP costs for most companies

60%
Efficiency increase

CLC Lodging offers comprehensive options to ease expense management.

Centralized bill payment solution: Corpay One is like your bank's bill pay, only better. Get built-in bookkeeping, expense approval and more in one complete platform that works with your accounting system, automating accounts payable and paying your vendors for you.

The CLC Trip Card: CLC's virtual payment card allows employers to load fixed limits of funds onto a virtual card for travelers to use on meals, fuel, or other business and travel-related expenses within a specific time frame. Travelers can access the Trip Card from any device, and add it to their Apple Wallet.

Payroll card: The majority of employees cannot afford to wait 2 weeks for their pay. The Fintwist® Mastercard Paycard is a complete digital payment solution that gives companies a cost-effective, electronic way to pay and retain employees. With the mobile virtual card, employees can get immediate, contactless access to their earned pay on demand right after their shift ends!

SIMPLIFY PAYMENTS
